

PYAA Sponsorship Selection Form

To Local Area Business:

I would like to take this opportunity to introduce you to **Plymouth Youth Athletic Association (PYAA) Boys Baseball and Girls Fastpitch Programs**. The PYAA organization has a proud tradition of developing boys' baseball and girls' softball skills, as well as a history of fielding competitive teams that have enjoyed success locally and regionally. Even more importantly, the organization has had a positive impact on the lives of young athletes in the community and their families.

2023 will be our fifth year hosting a 24 team tournament proudly and appropriately named the Cheese Town Showdown for our Fastpitch program, and in Baseball we are in our 21st year of holding The Panther Classic, which hosts 32 teams. We are offering an opportunity to local businesses like yours to become sponsors of these events. This is a **great opportunity to advertise your business** at an event, which will draw over **500 Wisconsin based athletes and their families** to the Plymouth area. Along with sponsoring our local events, you'll also have the added benefit of your business being displayed (**Field Banner**) throughout the entire season.

Your contributions will help cover the growing costs of the organization's 400+ players associated with player development, upgrading equipment, and improving facilities. Our goal is to help these young ball players develop the skills and abilities they can use on the field and experiences that they can use off the field. We hope they continue to play and represent Plymouth baseball and softball and ultimately positively impact our community.

Please take a moment to review and select the sponsorship package that best fits your business and budget. Any sponsorship level you select will be greatly appreciated. Please kindly reply with your decision by March 31st.

With gratitude,

Josh Chapman – President

Doug Sass – Vice President

Plymouth Youth Athletic Association
